isodesk
An imastudent company

isodesk Pro

A small studio: face search, WhatsApp delivery, a team of five and 1 TB.

₹499 a month + GST

or ₹4,999 a year + GST, which saves ₹989

Prices may change.

For a wedding studio with a small team, where guests want to find their own photos.

What Pro includes

- 1 TB of storage
- 5 seats
- 30,000 photos culled a month
- 5,000 selfie searches a month
- 2,000 WhatsApp messages a month, from your own number
- No "Made with" line on your pages

Every feature on Pro

- Client galleries
- Proofing and client picks
- Album picker
- Store: prints, albums and downloads
- Enquiries, clients and projects
- Quotes and GST invoices
- Automatic culling
- Selfie search for guests
- WhatsApp from your own number
- Team members with roles

Built for how studios in India work: WhatsApp from your own number, client payments by UPI and Razorpay, GST invoices with gap-free numbers and credit notes, and weddings with haldi, mehendi, wedding and reception in one project.

Or get Pro free for 12 months: one order of ₹25,000 at CineRentals or Cinema Center comes with it.

Start the 30-day trial at isodesk.io. Every feature, no card needed.

Prices in rupees, GST extra. Prices may change.
