isodesk
An imastudent company

isodesk Starter

One photographer: galleries, proofing, albums, sales, CRM, GST invoices and WhatsApp delivery.

₹199 a month + GST

or ₹1,999 a year + GST, which saves ₹389

Prices may change.

For a photographer who shoots, edits and delivers alone, and runs enquiries from a phone.

What Starter includes

- 100 GB of storage
- 1 seat
- 5,000 photos culled a month
- No selfie search
- 500 WhatsApp messages a month, from your own number

Every feature on Starter

- Client galleries
- Proofing and client picks
- Album picker
- Store: prints, albums and downloads
- Enquiries, clients and projects
- Quotes and GST invoices
- Automatic culling
- WhatsApp from your own number

Built for how studios in India work: WhatsApp from your own number, client payments by UPI and Razorpay, GST invoices with gap-free numbers and credit notes, and weddings with haldi, mehendi, wedding and reception in one project.

Or get Starter free for 12 months: one order of ₹10,000 at CineRentals or Cinema Center comes with it.

Start the 30-day trial at isodesk.io. Every feature, no card needed.

Prices in rupees, GST extra. Prices may change.
